**Austin, Texas 78759**

## 2. Ingredients: (% w/w)

<sup>1</sup>Oil Carrier (CAS 64741-89-5)

<b>Appearance:</b>	a light yellow liquid solution
<b>Odor:</b>	slight odor of petroleum oil
<b>Solubility:</b>	does not disperse in water
<b>Wt./Gallon:</b>	7.2 lbs/gallon
<b>Freeze Point:</b>	<25°F

**Flash Point:** > 200°F      combustible

## 5. Health Effects Data:

Page 1

## **6. Emergency First Aid Procedures:**

**Eye Contact:** Can cause eye irritation and possible corneal injury. Immediately flush eyes with copious amounts of water and get medical attention.

**Skin Contact:** Immediately wash with soap and water. If skin irritation occurs, consult a physician.

**Ingestion:** May cause gastro-intestinal irritation or nausea. Do not induce vomiting. Get immediate medical attention.

**Inhalation:** Move person to an area of fresh air and give artificial respiration if necessary. If breathing difficulty persists, get immediate medical attention.

## **7. Employee Protection Recommendations:**

The employee must wear protective clothing and related safety equipment. Good ventilation should be sufficient for most conditions. Positive pressure self contained breathing apparatus should be used for confined spaces and high exposure operations. The employee should shower at the end of the workday. The employee must wear clean clothes every day or after a spill if the clothes become contaminated. Always wash hands and face with soap and water prior to eating, drinking, smoking or using toilet facilities. It is best not to wear contact lenses but use safety prescription glasses.

## **8. Reactivity Data:**

**Stability:** Stable under most conditions but can react with air to form organic acids

**Hazardous Decomposition Products:** unknown

**Hazardous polymerization:** Does not occur.

## **9. Spill Procedures:**

Dike to prevent entering drains, sewers, streams, ponds, etc. Dispose of the material as required by local, state and federal regulations.

## **10. Additional Information:**

Highly toxic to fish and aquatic organisms. Keep out of drains and waterways.

**KEEP OUT OF REACH OF CHILDREN**

Store in a cool place away from any heat source, sparks, pilot lights, static electricity and open flame.

All containers should be disposed in a manner as regulated by governmental laws.
